

Anagrams

Here at **Step Into Stories**, we love a good anagram!

Did you know that by rearranging the letters in **Step Into Stories** you can make 'nosiest spotter', and 'tortoise insteps'?

How about 'enteritis stoops'? Err... enteritis is something that gives you a squirty botty, so I think we'll stop there!

Can you solve these anagrams to find the names of some of our **Step Into Stories** stars?
